

List of Publications

Charles Fielding Finch Karney
Sarnoff Corporation, Princeton, NJ 08543-5300
(Dated: February 4, 2007)

An up-to-date version of this list of publications is available at <http://charles.karney.info> in both PDF and HTML formats. These on-line versions contain links to additional information on the papers, as follows: highlighted keys (e.g., [39] in the PDF file and Karney(1983c) in the HTML listing) link to abstracts; highlighted titles link to reprints; highlighted journal references link to the journal's entry for the article; highlighted report numbers link to preprints.

Copyright notice: Some of the articles listed below are copyright by the publisher of journal they were published in. Such articles may be downloaded and printed for personal research and study only.
